

# OUR PROTOCOLS

6 Suites on 400 hectares provide ample social distancing without taking away from the experience.

All employees are working with masks, hand sanitizers at all work stations and disinfectant and their temperature is being monitored prior to their shift.

Digital Reservations and check in process

Complimentary face mask, hand sanitizer, gloves and disinfectant wipes will be provided on arrival

All surfaces in the main lodge are washed and sanitised twice a day.

## OUR PLEDGE

The health and safety of our guests, staff and families are our utmost priority to ensure you have the very best experience with us. With only **6 suites set on 400 Hectares**, we are ideally placed to accommodate families and small groups on an individual or exclusive basis

All surfaces in the main lodge are washed and sanitised twice a day.

The main lodge bathrooms are sanitised hourly and there are sanitisers, wipes and disinfectant available around the main areas of the lodge for your use.

All rooms are being disinfected daily and sheets and towels are changed every 2nd day.

Game drives and guided bush walks will take place with social distancing requirements in consideration and all guests are kindly asked to wear masks and gloves

Meals can be served at several private locations throughout the lodge with tables well spaced.
